**ORDER:**

In the G.O. 1<sup>st</sup> read above, orders were issued for inviting tenders for electro-mechanical and Instrumentation works under Mission Bhagiratha duly imposing certain conditions.

2. In the G.O. 2<sup>nd</sup> read above, an amendment was issued to the G.O. 1<sup>st</sup> read above regarding Eligibility criteria and Retention amount from running bills at Sl.No.01 & 9 of the Annexure appended to the G.O. 1<sup>st</sup> read above.

3. In the reference 3<sup>rd</sup> read above, the Engineer-in-Chief, Rural Water Supply & Sanitation, Hyderabad has stated that the procurement of electro mechanical works are proposed to be taken up with 10 years defect liability period and with 10 years O&M concurrently, as per Govt. orders vide ref 1st & 2nd read above. Accordingly, segment wise/location wise sub estimates were approved based on SSR items of 2015-16. The major electro-mechanical works were made into four(4) packages viz. package No.1 – Mahabubnagar erstwhile districts, Package No.2 – Khammam, Warangal and Rangareddy erstwhile districts, Package No.3 – Adilabad, Nizamabad and Karimnagar erstwhile districts and Package No.4 – Medak and Nalgonda erstwhile district with total estimated cost of Rs. 835.74 crores and with an estimated contract value (ECV) of Rs 627.00 crores. The tenders were invited for the above packages. Even after 1<sup>st</sup> and 2<sup>nd</sup> calls, no response was received from the bidders.

4. He has further stated that, Government reviewed the matter on 17.10.2016, and advised to discuss with M/s. BHEL, Govt. of India. After due deliberations and based on the department tender document, M/s.BHEL offered the value twice the ECV and also devoid of cost for O&M and Defect liability period of 10 years.

5. He has also stated that, Government have reviewed the matter again on 17.11.2016 and instructed to constitute a committee of Senior Engineers of other specialized departments who are dealing with pumps & motors to review the tender conditions, estimates including technical specifications to resolve the stalemate and expedite the procurement of electro mechanical equipments. Accordingly, the meeting was convened with Senior Engineers of HMWS&SB, R&B, TSGENCO,TDWSP, Advisor, LI Schemes, I&CAD. After detailed deliberations, the Committee made the following recommendations;

- a. The estimates are to be prepared with prevailing SSR 2016-17 duly allowing taxes, duties and overheads.
- b. The tender conditions with regard to payment break-up as per GO Ms.No. 22 of PR&RD is to be reviewed, as follows.

<b>Tender Conditions as per G.O.Ms. No.22 of PR&amp;RD Dt.11.03.2016</b>	<b>Modification sought</b>
<b>Payment break up</b> Design Manufacture, supply, delivery of Equipment, piping, valves, instruments, etc complete-50%: Erection of the Equipment and Testing--30% : Completion Trial Run for 30 days---10%: After submission of 'As-Build Drawings', approval of O&M manuals and commissioning the scheme---10%.	<b>Payment break up</b> Design Manufacture, supply, delivery of Equipment, piping, valves, instruments, etc complete---70%: Erection of the Equipment and Testing---10% : Completion Trial Run for 30 days---10%: After submission of 'As-Build Drawings', approval of O&M manuals and commissioning the scheme---10%.

(PTO)

::2::

6. He has requested the Government to issue orders amending the tender conditions regarding payment break-up which will help in securing competitive bids for critical and urgent electro mechanical works and to permit to call for fresh tenders of the same (4) packages.
7. Government after careful examination of the proposal of the Engineer-in-Chief, Rural Water Supply & Sanitation, Hyderabad hereby issue the following amendment to Sl.No.13 in the Annexure appended to the order 1<sup>st</sup> read above;

Amendment	
For	Read as
